# Spring Outdoor Inspirations

Looking for the perfect seasonal style solutions? Want up-to-the-minute outdoor design inspiration direct from innovative Italy? Care to have your winter home transformed into a luxury spring abode?

The gardening area showcases Graham Ross from the Garden Clinic, a man well known for his connection with the popular television show Better Homes and Gardens, plus professional designers and installers displaying the contemporary options available for your spring outdoor lifestyle.

# 4WD Arena

Witness the awesome ability of drivers manhandling modified competition four-wheel drive vehicles on a purpose-built track.

Four times daily:  
11.00am • 12.30pm • 2.00pm • 3.30pm
