## Ladies 275mm Australian Underhand Championship Expression of Interest

The Royal Canberra Show is pleased to announce our intention to host the inaugural **Ladies 275mm Australian Underhand Championship** at the 2023 Royal Canberra Show Woodchop.

In recognition of the status of this national title and in accordance with the Australian Axemen's Association's conditional approval to host this event, the Royal Canberra Show Society is seeking expressions of interest (EOI) from prospective competitors. EOI results will be used to confirm sufficient interest in this event and will be considered by both the Royal Canberra Show Society and the Australian Axemen's Association prior to a final decision to offer this event.

A draft program for the 2023 Royal Canberra Show Woodchop is attached for reference.

Please note

- This EOI applies only to the proposed **Ladies 275mm Australian Underhand Championship** event (the event). EOI responses are not being sought for other events on the proposed program.
- This EOI is being used to indicate competitor interest and does not commit EOI participants to entering the event.
- Submission of an EOI response does not constitute an entry. Entries will be accepted in accordance with the finalised woodchop program when advertised.
- Competitors may enter the event regardless whether they submit an EOI response.
- The Royal Canberra Show Society and the Australian Axemen's Association reserve the right to offer or withdraw this event. This decision is subject to a number of factors including responses to this EOI process.
- The Royal Canberra Show Society reserves the right to vary the attached draft program.
