Entry Acceptance

- No exhibit entered in a wrong class will be allowed to compete, and the entry fee in respect of such exhibit will be forfeited.
- Exhibitors are responsible for entering their exhibits into the correct gender and age classes.
- The decision of the Judges shall be accepted as final. All entries will be judged as per the guidelines of the Australia Poultry Standards 2nd edition and addendum for traditional breeds.
- No trimming, plucking, dyeing of feathers, legs or any other fraudulent practice will be allowed, and every exhibitor will be deemed to be, and will be held responsible for the condition in which their exhibit appears in the pen.
- Any protests shall be considered by the Committee as soon as possible after lodgement, and their decision shall be final for this show.
- Whenever any exhibit has been disqualified the Committee may also disqualify the exhibitor thereof from exhibiting at future shows of the Society and may declare forfeited all prizes awarded to them.
- Should any exhibit which has been awarded a prize be disqualified, the next in order of merit on the Judge's award card shall not necessarily be entitled to the prize, but the matter shall be determined by the Committee.
- No bird other than an exhibit in respect of which application for entry has been accepted by the Society shall be brought onto the Showground by any exhibitor or other person except with the consent of the Chief Executive Officer or nominated delegate.

- **Exhibitors are responsible to feed and water their own exhibits.**
 - Exhibitors should supply feed for their birds throughout the show. Some feed will be available if necessary, during the show.
 - Given the short duration of the show the Committee recommends exhibitors bring their own feed supplies and continue to feed their birds their normal ration to avoid potential setbacks.
 - Every pen will have a drinker. Watering cans will be available.
 - If birds are not familiar with “treated town water” it may be that exhibitors choose to bring familiar water for their birds.
 - Birds should always have water available to them. Prior to judging however, some exhibitors prefer to remove water from exhibits until they have been assessed. Should water be removed by exhibitors the drinkers must be immediately returned to the inside of the pen.
 - Overfeeding is not recommended.
