

2024 ROYAL CANBERRA POULTRY SHOW

SHOW BULLETIN #4

24 APRIL 2024

1. AUCTION FOCUS
2. STEWARD FOCUS
3. **EGG FOCUS - entries still open**

1. AUCTION FOCUS

- a. TOP QUALITY, STUD POULTRY GENETICS
- b. The Royal Canberra Poultry Show **HELMSMAN AUCTION** is focussed specifically on the availability and acquisition of quality, stud poultry genetics that are consistent with the prestige of our event.
- c. With exhibitors being widespread throughout Australia this opportunity is a valuable one. This year we have introduced some important initiatives to achieve our objective.
 1. Prospective buyers will have the opportunity to handle birds listed for Auction – **only with an Auction Steward in attendance.**
 2. Birds may only be removed from a pen by the Auction Steward – the steward will hand the bird to the prospective buyer for examination.
 3. Once examined, the bird must be handed back to the steward who will return the bird to its pen and lock the pen.
 4. **Should the buyer decide to place a bid, we recommend the bid is made to reflect the real value of the bird offered.** (e.g. should that bird be worth \$190.00 (in the buyer's mind) we would encourage that amount as the initial bid recorded on the bidding sheet. This should limit the number of occasions on which the bird is handled and provide more certainty for the bidder)
 5. **Vendors are encouraged to attach information to the pen that describes a bird's qualities along with pedigree /breeding background.**
 6. Vendors are entitled as usual, to an opening Vendor Bid that establishes their acceptable reserve price.

2. STEWARD FOCUS:

You will recall in last week's Bulletin (#2) we requested prospective Stewards contact us and provide us with detail and areas of specific interest. We will be communicating with you all very soon, so please contact our office by email admin@rncas.org.au, or phone promptly. Thanks so much for your help. ([please refer to Bulletin #2](#)) or register at the [link below](#).
